#### **CRUISEPORTINSIDER.COM™ EXTENDS ITS UNIQUE COVERAGE OF CRUISE PORTS TO THE FIVE MOST POPULAR WESTERN CARIBBEAN DESTINATIONS**

PASADENA, CALIFORNIA – What do Cozumel, Mexico; Belize City, Belize, Roatan Island, Honduras, Grand Cayman, Cayman Islands and Key West, Florida have in common? Well, not only are they the five most popular cruise ports in the Western Caribbean, but these destinations are now included in the internet's most comprehensive travel guide for cruise ship passengers: CruisePortInsider.com.

Cruise passengers now have a single, authoritative source to refer to when researching what to do and what to expect when they take a Western Caribbean cruise. The extensive coverage of these ports helps cruise passengers answer their Big Question: "If I'm only going to be in port for 8 hours, and I may never go back, what should I do when I get there?"

"The new ports we've added to our roster are visited by over 3 million cruise passengers each year," said Bob Haefliger, founder of Pasadena-based CruisePortInsider.com. "We've compiled all the critical, helpful and insightful information that cruisers want and need to know when visiting these fun and exciting ports of call."

CruisePortInsider.com provides detailed basic information on each cruise port, a short history of the city, maps of the cruise port or region, a comprehensive rundown on every shore excursion offered by the major cruise lines, and an extensive on-your-own section that helps guide cruisers in selecting independent activities, discovering regional culinary traditions and choosing dining options. The site also provides shopping tips on the unique things to buy in each port, and helpful, unbiased information where to buy them.

One of the site's most helpful and unique areas is the Excursions section of each cruise port. CruisePortInsider.com has added coverage on over 350 excursions offered by the cruise lines in these five cruise destinations. The excursions are sorted by activity, such as

Beach, Snorkel & Sailing, City Tours, Eco-Tours, Motorsports, Cultural Tours, Horseback Riding, Scuba Diving, etc. Each excursion is profiled in depth, presenting a comprehensive description of the tour, suggesting what to bring (or what not to bring), how long it takes to get to the start of the activity and how you get there, who should take the tour and additional venue information that, in most cases, provides compelling reasons to sign up for the excursion.

CruisePortInsider.com currently features information on shore excursions offered by Carnival Cruises, Royal Caribbean, Celebrity, Princess Cruises, Holland America, Norwegian Cruise Lines, Regent Cruises, Costa Cruises and P & O Cruises.

“Whether you’re thinking about experiencing the Turtle Farm, Hell or Stingray City in Grand Cayman, visiting ancient Mayan cities or going cave tubing in Belize, enjoying the incredible snorkeling or learning about the Garifuna traditions in Roatan, swimming in a cenote or scuba diving in the Palancar Reef in Cozumel, or visiting the Hemingway House or learning about the mystery surrounding Robert the Doll in Key West, we’ve got it covered,” added Haefliger. “There’s no better, more comprehensive and up-to-date guide to each of these exciting cruise ports on the internet than CruisePortInsider.com.”
